Performance data shown represents past performance and is no guarantee of future results. Investment return and principal value will fluctuate, so investors may have a gain or loss when shares are sold. Current performance may be higher or lower than what is quoted, and investors should visit the performance page for most recent month-end performance.

You could lose money by investing in a money market fund. Although the fund seeks to preserve the value of your investment at $1.00 per share, it cannot guarantee it will do so. An investment in the fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Fidelity Investments and its affiliates, the fund's sponsor, is not required to reimburse the fund for losses, and you should not expect that the sponsor will provide financial support to the fund at any time, including during periods of market stress.

Fidelity's government and U.S. Treasury money market funds will not impose a fee upon the sale of your shares.

Options trading entails significant risk and is not appropriate for all investors. Certain complex options strategies carry additional risk. Before trading options, please read Characteristics and Risks of Standardized Options. Supporting documentation for any claims, if applicable, will be furnished upon request.

Fidelity Stock Plan Services, LLC, provides recordkeeping and/or administrative services to your company's equity compensation plan, in addition to any services provided directly to the plan by your company or its service providers.

Investment advisory services are provided through Fidelity Personal and Workplace Advisors LLC (FPWA), a registered investment adviser, for a fee. Brokerage services are provided through Fidelity Brokerage Services LLC (FBS). Both are Fidelity Investments companies. Fidelity advisors are licensed representatives of FPWA and registered representatives of FBS. Whether a Fidelity advisor provides advisory or brokerage services to you will depend on the products and services you choose.

Your results may vary with each use and over time.

Fidelity Crypto® is offered by Fidelity Digital Assets℠. Investing involves risk, including risk of total loss. Crypto as an asset class is highly volatile, can become illiquid at any time, and is for investors with a high risk tolerance. Crypto may also be more susceptible to market manipulation than securities. Crypto is not insured by the Federal Deposit Insurance Corporation or the Securities Investor Protection Corporation. Investors in crypto do not benefit from the same regulatory protections applicable to registered securities. Fidelity Crypto® accounts and custody and trading of crypto in such accounts are provided by Fidelity Digital Asset Services, LLC, which is chartered as a limited purpose trust company by the New York State Department of Financial Services to engage in virtual currency business (NMLS ID 1773897). Brokerage services in support of securities trading are provided by Fidelity Brokerage Services LLC ("FBS"), and related custody services are provided by National Financial Services LLC ("NFS"), each a registered broker-dealer and member NYSE and SIPC. Neither FBS nor NFS offer crypto as a direct investment nor provide trading or custody services for such assets. Fidelity Crypto and Fidelity Digital Assets are service marks of FMR LLC.
